

Wood anemone decoration for Uusimaa Day

Uusimaa
Day

Helsinki-Uusimaa
Regional Council

Uusimaa Day invites you to enjoy culture, meetings and local nature together. A festive spring day is celebrated all around the region Uusimaa annually in May.

Print many sets of flowers and leaves (in size A4 or A3).

Colour and cut them out. Decorate your windows, walls, coffee table or whatever you can think of with them! Feel free to have a flower workshop with others! Flower decorations on walls or in dining rooms welcome our spring to libraries, schools and day-care centres.

PS. If you wish for a beautiful bunch of flowers in your vase, glue the flower on the top of a wooden BBQ skewer and its leaves along the stick itself.
